Join Me For A Wiccan Ritual!

By Rev. Don Lewis

As a Wiccan I get asked about my religion a lot!

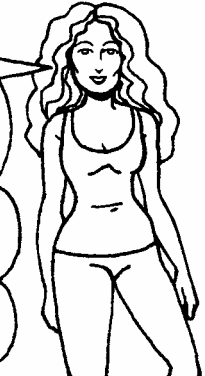

People are always curious -- especially about ritual!

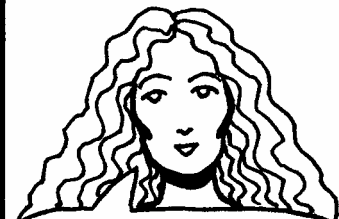

Maybe you're curious too? I'm on my way to a ritual right now - why don't you come along!

Tonight's ritual is a Full Moon Esbat. At Full Moon we honor the Goddess and work to bring good things into our lives!

To us God is both Father AND Mother -Goddess and God. We honor the female energy as well as the male.

Tonight's ritual is at Bea's house

All the members of our group take turns hosting ritual in our homes...

Merry Meet Maggie!

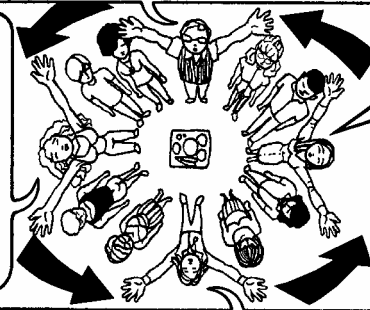

Merry Meet Bea!

"Merry Meet" is a greeting we often use in Wicca!

Powers of the North we thank you for your presence and your aid! With love and with respect—So mote it be!

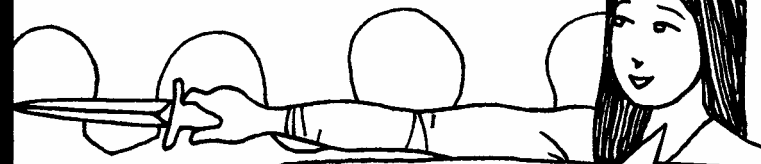

Powers of the West we thank you for your presence and your aid! With love and with respect—So mote it be!

Powers of the East we thank you for your presence and your aid! With love and with respect—So mote it be!

Powers of the South we thank you for your presence and your aid! With love and with respect—So mote it be!

Angie opens the Circle, and the ceremony is ended

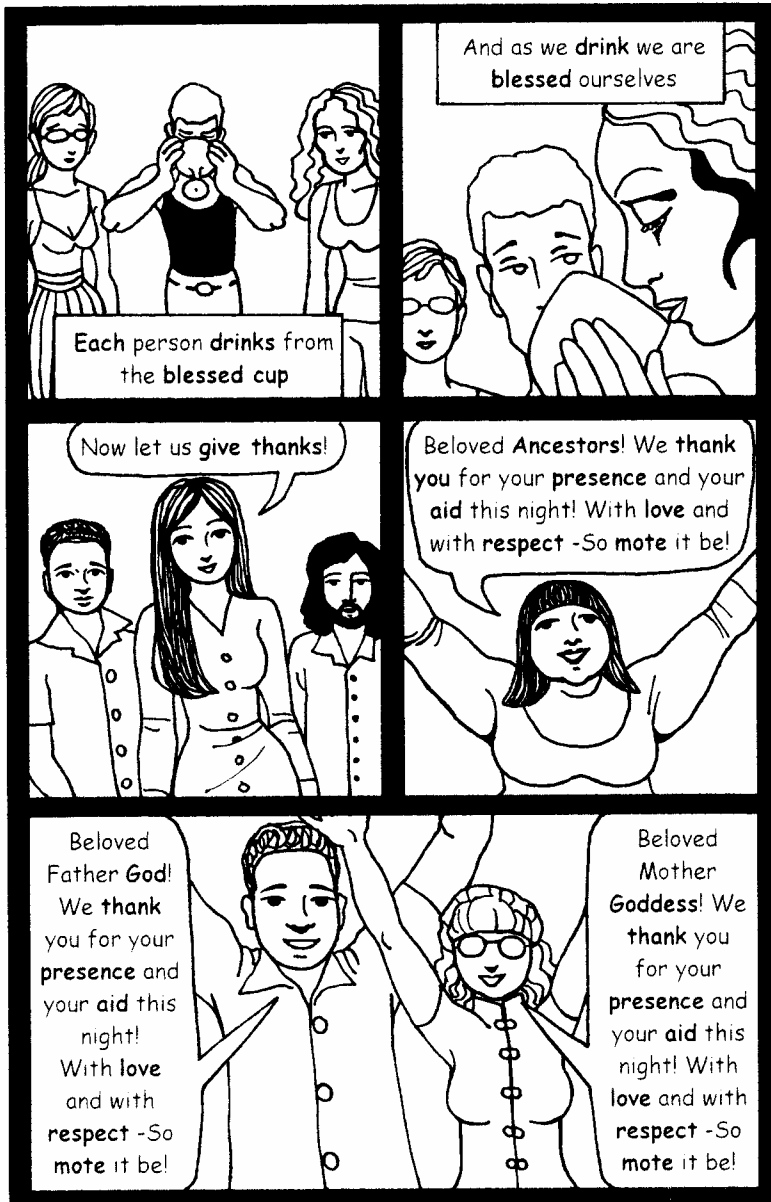

May the Circle be Open—But Never Broken!

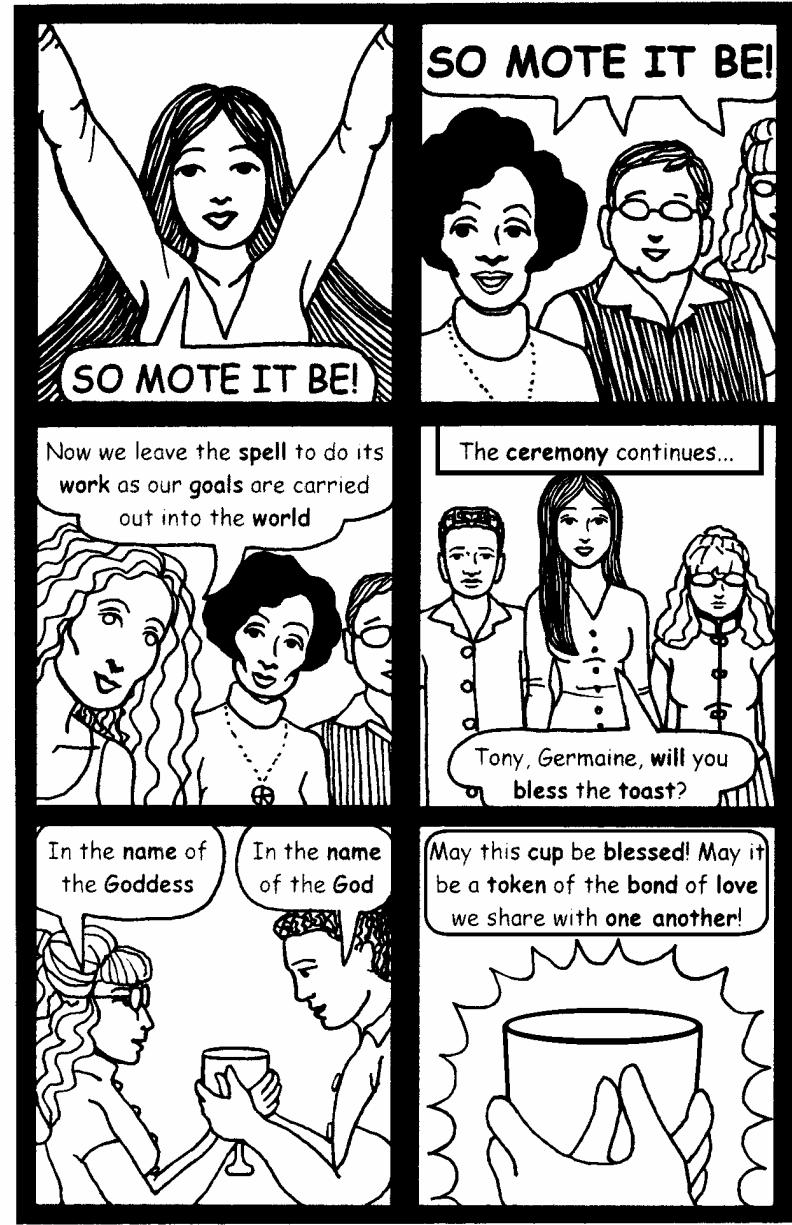

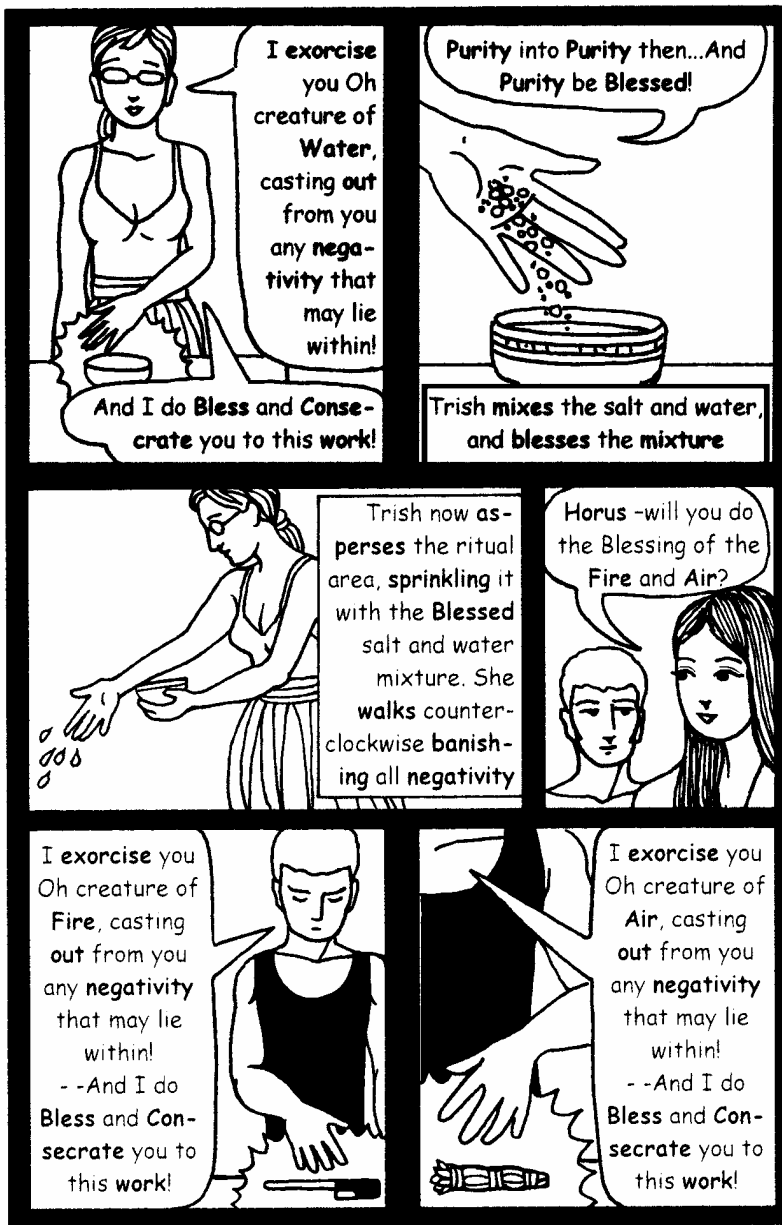

Now again clear and release all excess energy, letting it flow out of us like water, returning back to Mother Earth

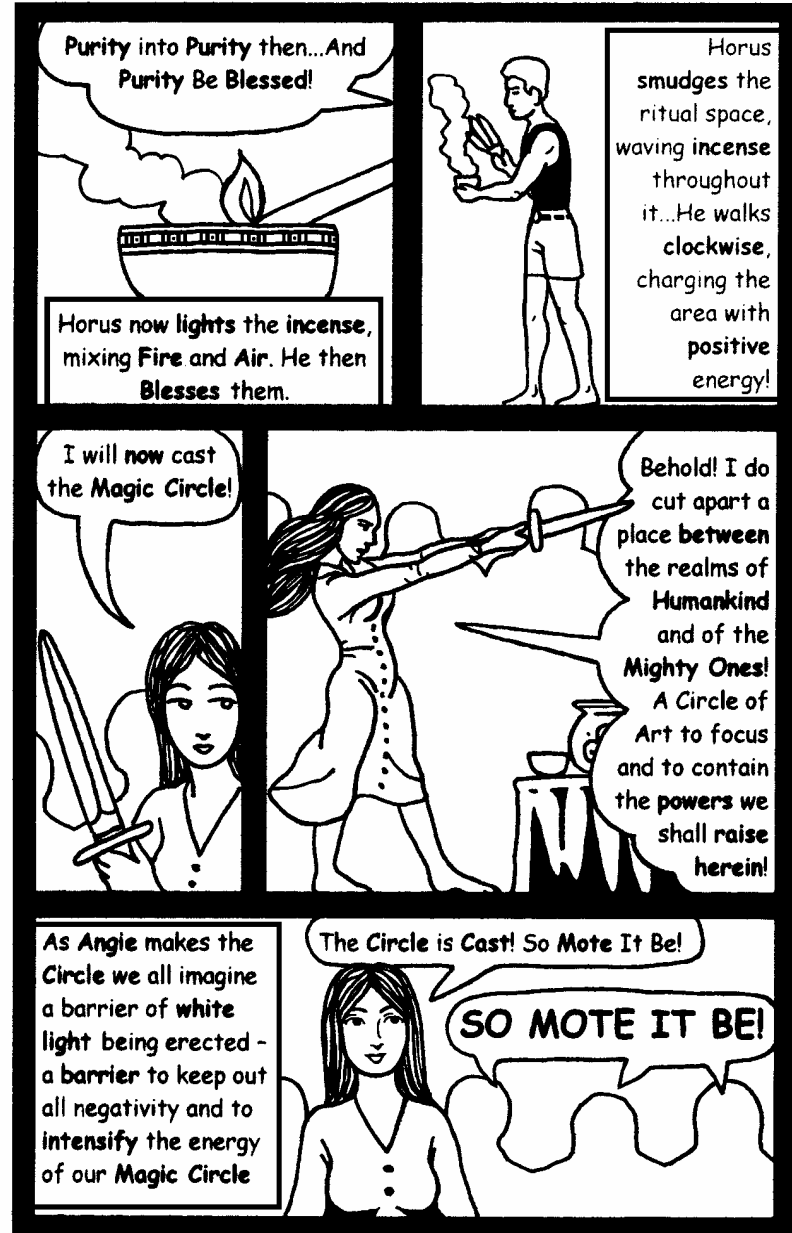

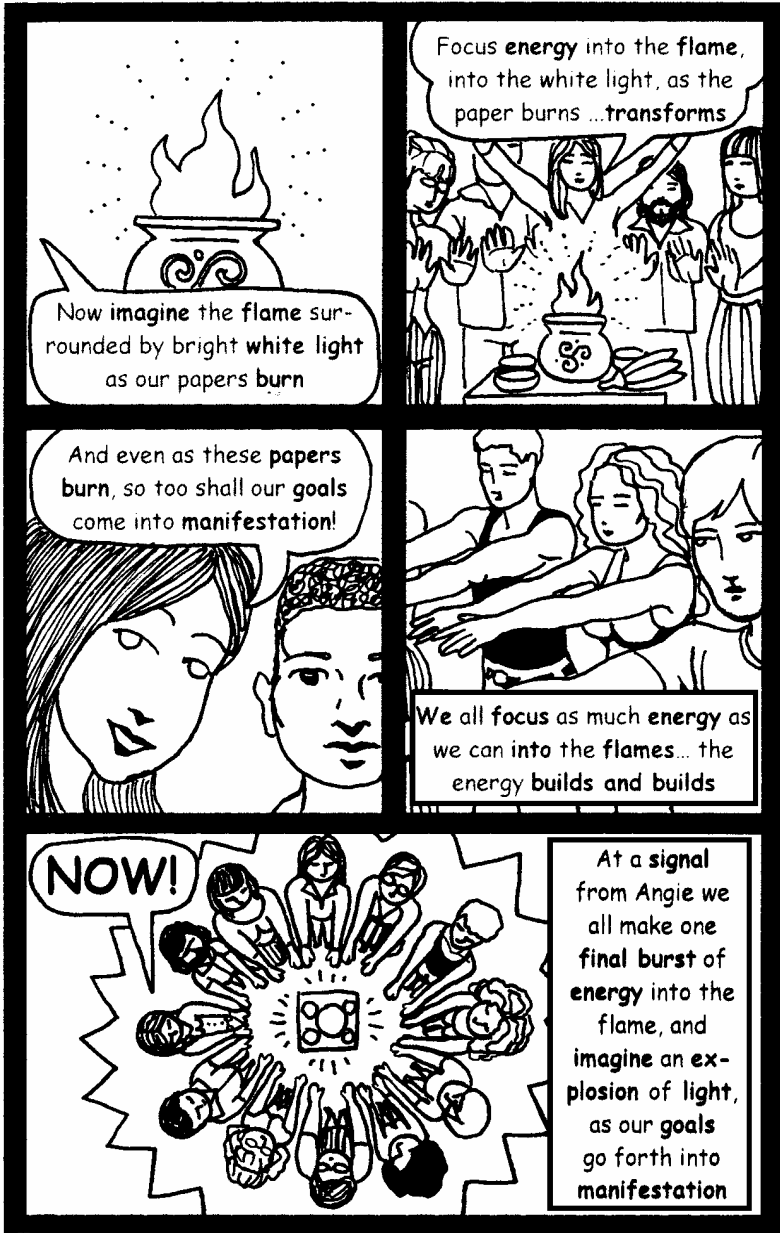

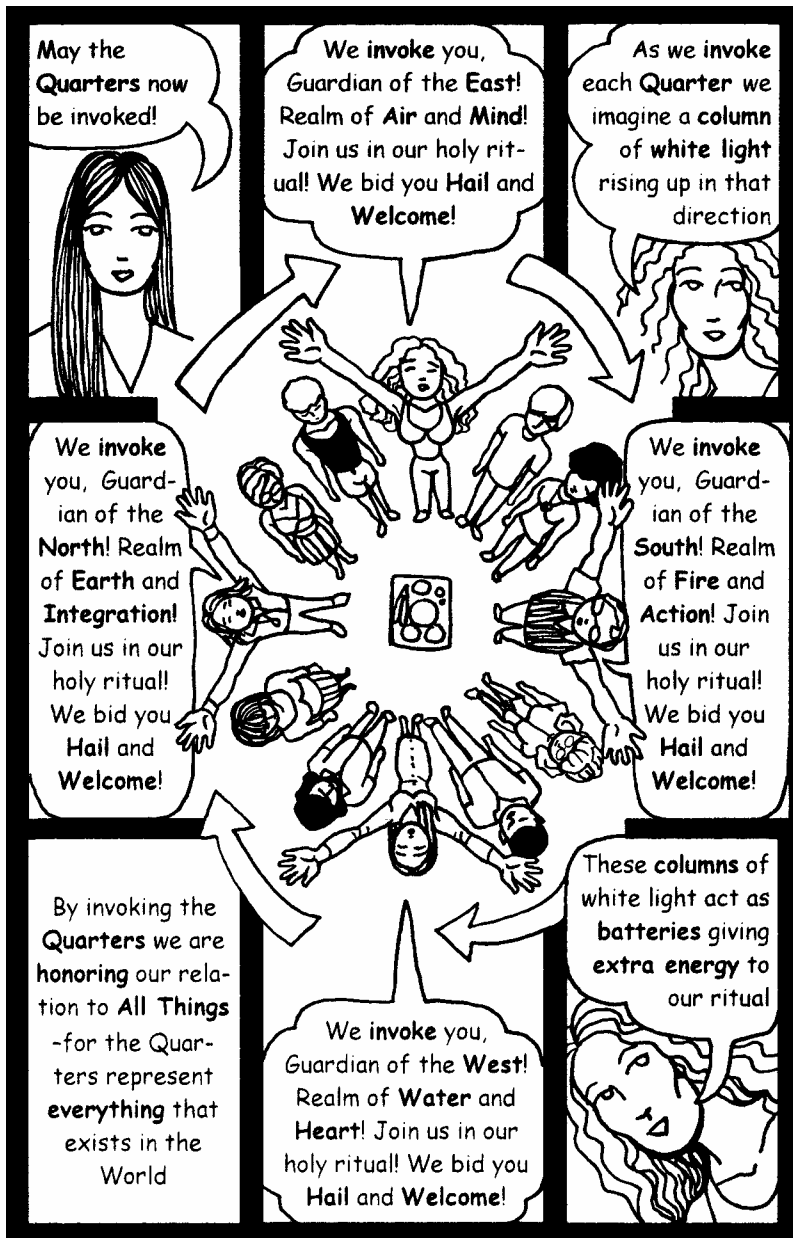

I hope you enjoyed our ritual! Want to learn more about Wicca, ritual, and magic? Check out www.witchschool.com

Now keep your paper and let's dance and chant to raise energy!

Wiccans raise energy in many ways -dancing and chanting are often used in group rituals -they really get the energy moving!

Holy Goddess bless our rite! Aid our working with Your might!
 Fill our souls with healing light! Goddess this we pray!

We raise the energy as part of working magic. What we mean by magic is using the powers of our soul or "higher self" in order to bring about things we desire in life. We raise energy to help this process...

-again we believe that everything we do comes back to us, so we try to always do good things!

Tommy, Bea, will you invoke Goddess and God?
 Ravynn will you invoke the Ancestors?

Holy Goddess!
 Mother of all Living! You Who are known by 10,000 Names! With love and with respect we invoke You and ask You to be with us this night as we enact this holy ritual! I bid you Hail and Welcome!

Holy Father God!
 Master of forest and field! Lord of the Dance of Life! With love and with respect we invoke You and ask You to be with us this night as we enact this holy ritual! I bid you Hail and Welcome!

Beloved Ancestors, we do invoke you! You who have gone before and who have prepared the way for us! Join us now in our holy ritual! We bid you Hail and Welcome!

We come together this night to celebrate the Full Moon, and to honor the Lady of the Moon, the Holy Mother Goddess!

At Full Moon the spiritual energies of the world are at their strongest in the month, and magic done at Full Moon is stronger than at other times

I ask you to pick one goal that you wish to manifest into your life—think of that goal now!

What should I manifest I wonder? Wiccans believe it is very important that we only manifest good things that don't hurt others...

The Wiccan Rede says: "Do As You Will - But Harm None"

We believe that everything a person does comes back to them in time

Either in this life or another Karma brings all of our actions back to us—so whether in magic or daily life, we try to treat others as we like to be treated - because we know eventually we will be on the receiving end

So I think tonight I will prosperity for me and my family

Everyone write your goal on one of the pieces of paper I am handing out

Hold the paper and focus strongly on your goal... imagine it as clearly as you can... see it as being fulfilled in the best way possible

Imagine what it will be like to have this goal perfectly fulfilled... see yourself successfully having your goal in a way that is wholly positive
